ALTERNATIVE USES:

1. You can take the pieces of the game and place on a bulletin board, skipping the poster all together.
2. Glue the blend signs onto paper bags. Leave alone or staple to a bulletin board. Students can then place the cards in to the correct bag.
3. Create pockets by folding construction paper in half and gluing/stapling the sides. Glue blend signs onto the front of each pocket. Staple pockets to bulletin board or let stand alone. Students can sort cards into the correct pockets.
