| Mini Lesson | Asking questions about text. | |
| Group 1: Janya Jane Bill Ryan Kate | The group is very focused with Jane absent. Lots of neat topics. | Should I move Jane even though I feel this is the best groups for her? |
| Group 2: Robert Lisa J.G. Rebecca Phillip | Questions are unrelated to the topic. They are not deep probing questions....more like drills. | I need to focus more on the type of questions to ask. |
